

COLOURS MAKE OUR WORLD BEAUTIFUL

WITH THE NAME OF ALLAH, MOST GRACIOUS, MOST MERCIFUL.

We read in Sura Fatir (Ch. 35): verses 27 & 28:-

“Do you not see that Allah sends down rain from the sky ? With it we then bring out produce of various colours. And in the mountains are tracts white and red, of various shades of colour, and black intense in hue. And so amongst humans and crawling creatures and cattle, are they of various colours.

Those truly fear Allah, among his servants, who have knowledge: for Allah is exalted in might, oft-forgiving.”

- 1. Our world is colourful which makes it most pleasing to our eyes.**
- 2. There are many colours in nature to inspire artists.**
- 3. Allah (S.W.T.) has made light and the colour green the main colours in nature because these are the colours that strengthen sight.**
- 4. We find different colours in the fish of the oceans, in plants, in animals and in human beings.**
- 5. It is true that the many colours in nature do beautify our world, but Allah (S.W.T.) has also made humans of different shades of colours to test us.**
- 6. We must not think that certain people of a different colour are less than us !**
- 7. All of us come from Nabie Adam (A.S.), and he was made of clay!**

Worksheet

- 1) Name the two colours that strengthen sight.**
-
