

# THE NABIES AND RASOOLS OF ALLAH (S.W.T.)

**WITH THE NAME OF ALLAH, MOST GRACIOUS , MOST MERCIFUL.**

Nabies and Rasools were chosen by Allah (S.W.T.) Himself to give his message to people.

There were many of them who came to guide people, but the holy Quraan mentions only twenty five of them by name.

We read in the holy Quraan, Sura al-Nahl ch.16):verse 36:-

“For we assuredly sent amongst every people a messenger (with the command), ‘serve Allah and shun evil’...”

Every Nabie and messenger taught the people to believe in the unity of Allah (Tauhid).

We must follow the example of these great men.

The Holy Quraan says that some of the Nabies and Rasools performed miracles by Allah (S.W.T.)’s permission.
