

WATER

WITH THE NAME OF ALLAH, MOST GRACIOUS, MOST MERCIFUL.

In Sura al-Anbiyya (ch.21): verse 30 we are told that Allah (S.W.T.) had created everything from water.

Two-thirds of our body weight is water.

Nothing can live without water.

Fish cannot live without water.

Plants need water to grow.

Insects, animals and human beings need water.

Water has many purposes

They are:-

1. To quench our thirst.
2. To wash ourselves, our clothing, etc.
3. To help in the generation of electricity.
4. It is used as a cooling agent, --- e.g., in the radiators of motor vehicles.
5. To help ships sail.
6. It is used to make wudhu.

Worksheet

1) List two other purposes for which water is used (other than those given above).

2) Who made water?
