

WHY ARE THERE SO MANY RELIGIONS TODAY?

WITH THE NAME OF ALLAH, MOST GRACIOUS, MOST MERCIFUL.

The Noble Quraan tells us that long before Nabie Muhammad (S.A.W.), Allah (S.W.T.) had sent prophets and messengers to the different people of the world.

All of them taught the message of **Tauhid** i.e., **the unity of Allah (S.W.T.)**.

We read in Sura al-Nahl (ch. 16): verse 36:-

“For we assuredly sent amongst every people a messenger, (with the command), ‘serve Allah, and avoid evil:’...”

Mischief-making people changed what the prophets and the messengers had taught.

Many people began to follow these mischief-makers.

Therefore, there are so many different religions today.
