

SENSE ORGANS

WITH THE NAME OF ALLAH, MOST GRACIOUS, MOST MERCIFUL.

Out of his goodness Allah (S.W.T.) has provided us with sense organs which help us to become aware of objects.

We read in Sura al - Muminun (ch. 23): verse 78:-

"It is He who has created for you (the faculties of) hearing, sight, feeling and understanding: little thanks it is you give!"

We have five sense organs --- they are:-

- A) The skin which is used for touching or feeling objects.
- B) The ears for hearing.
- C) The eyes for seeing.
- D) The nose for smelling.
- E) The tongue for tasting.

We must learn to be grateful to our Rabb for having given us these sense organs by using them in His service.

Showing gratitude to Allah (S.W.T.) means using our sense organs to help others and not to do things that will displease Him.

We must always use our sense organs to find out more of the great and beautiful way in which our Rabb has created everything.

Remember, Allah (S.W.T.) has given us tongues to praise him and speak the truth --- not to praise ourselves, or to cause mischief!

Worksheet

- 1) Who has provided us with the five sense organs?
