

# COMMUNICATION

## WITH THE NAME OF ALLAH, MOST GRACIOUS, MOST MERCIFUL.

Allah (S.W.T.) has given His creatures different modes of communication.

Humans do not understand most of these forms of communication.

We read in Sura al-Isra (ch. 17) verse 44:-

"The seven heavens and the earth, and all beings therein declare His glory: there is not a thing but celebrates His praise and yet you understand not how they declare his glory: ..."

The following are examples of some types of communication:-

### **Mountains**

"We bestowed grace aforetime on Dawood from Ourselves: 'O you mountains! Sing you back the praises of Allah with him! And you birds (also)! ..."

Sura Saba (ch. 34): verse 10

### **Bees**

"And your Rabb taught the bee to build its cells in hills, on trees, and in men's habitations."

Sura al-Nahl (ch. 16): verse 68

### **Ants**

"... One of the ants said: 'O you ants, get into your habitations, lest Sulaiman and his hosts crush you (under foot) without knowing it.'  
So he smiled at her speech; ..."

Human beings have higher modes of communication such as speech, writing, wireless transmission, which only those who use it can understand, as are cipher codes and other means of signal transmission.

We learn from revelation that even angels communicate with certain human beings.
