

# LIFE AFTER DEATH

**WITH THE NAME OF ALLAH, MOST GRACIOUS, MOST MERCIFUL..**

Belief in life after death is a basic article of Deen al-Islam.

Our present life is meant to be a preparation for the life to come.

Life would be meaningless if good deeds are not rewarded and evil conduct not punished!

There are many people who do not believe that our Rabb can raise us after death. Therefore, they do not believe in life after death.

Since our Rabb created everything out of nothing, can it ever be difficult for him to bring us back to life ?

**We read in Sura al- Qiyamah (ch. 75) : verses 3 & 4 :-**

**“Does man think that We cannot assemble his bones? Nay, We are able to put together in perfect order the very tips of his fingers. ”**
