

ON HUMAN BEINGS

WITH THE NAME OF ALLAH, MOST GRACIOUS, MOST MERCIFUL.

There are billions of people scattered all over the world.

Strangely enough, no two persons are exactly alike --- not even twins !

It is one of his signs that he had created us differently.

Allah (S.W.T.) says in Sura al Rum (ch. 30): verse 22:-

“And among his signs is the creation of the heavens and the earth, and the variations in your languages and your colours: verily in that are signs for those who know.”

We read in Sura al Hujurat (ch. 49): verse 13:-

“O mankind! We created you from a single (pair) of a male and a female, and made you into nations and tribes, that you may know each other (not that you may despise each other). Verily the most honoured of you in the sight of Allah is (the one who is) the most righteous of you. ...”

We have been created differently with regard to appearance, colour and language.

We are on trial on this earth!

The differences between people do not make any particular group better than another.

The best in Allah (S.W.T.)’s sight are those who are most righteous !

Now listen to our beloved Nabie (S.A.W.):-

“No Arab has any superiority over a non-Arab; nor does a white man have any superiority over a black man; or a black man over a white man. You are all children of Adam (A.S.) And he was created of clay.”

Worksheet

1) Does Islam speak out boldly against racism?
